PROFESSIONAL SUMMARY

Computer Science undergraduate with a solid foundation in programming, data structures, and databases, alongside hands-on experience in data analysis using Python (Pandas, NumPy, Matplotlib, Seaborn) and SQL. Comfortable across the full workflow of cleaning raw data, exploring it statistically, and presenting clear, actionable findings, with an emphasis on writing clean, efficient code.

TECHNICAL SKILLS

Programming Languages: Python, Java, SQL, JavaScript

Data Analysis: Pandas, NumPy, Matplotlib, Seaborn, SciPy, Scikit-learn, Data Cleaning, EDA, Statistical Hypothesis Testing

Databases & SQL: MySQL, Joins, Subqueries, CTEs, Window Functions

Web Technologies: HTML, CSS, JavaScript

Core CS Concepts: Data Structures & Algorithms, DBMS, Operating Systems, Object-Oriented Programming

Tools: Jupyter Notebook, Google Colab, Git/GitHub

PROJECTS

Black Friday Purchase Analysis — Retail Purchase Data

- Analyzed ~263,000 retail transactions using Python, Pandas, and NumPy to uncover purchase behavior patterns across customer demographics.
- Cleaned raw data, removed outliers using the IQR method, and applied one-sample and two-sample t-tests with SciPy to test hypotheses about purchase amount, both statistically significant at $p < 0.05$.

SQL Business Case Studies

- Solved business-oriented SQL problems using joins, subqueries, CTEs, window functions, and aggregations to extract actionable insights from relational datasets.

EDUCATION

KCC Institute of Technology & Management, Greater Noida

Bachelor of Technology (B.Tech.) — Computer Science & Engineering Expected Graduation: 2028

TRAINING & CERTIFICATIONS

Professional Certification Program in AI & Data Science — Intellipaat: Comprehensive training covering Python, SQL, data science, machine learning, AI, Linux fundamentals, and data visualization through hands-on, industry-oriented projects.

Additional Certifications: SQL Certification — Intellipaat | Linux Certification — Intellipaat

STRENGTHS

Strong analytical thinking • Quick learner • Problem-solving mindset • Passionate about AI and data-driven software

LANGUAGES

English, Hindi
